## Yearbook Sitting Information

## Tips

This is an important occasion; for the finest possible photographs, please come to your appointment well rested and properly prepared.

### Ladies

**Hair:** Be sure your hair is attractively arranged in your usual style. Try to avoid stray ends, as they cannot be retouched.  
**Make-up:** Make-up will make a difference! Avoid shiny make-up.  
**Clothing:** We suggest you wear a dress or blouse with full length sleeves. Choose colors and styles that flatter you most. Avoid sleeveless dresses or blouses. Solid plain colors photograph best.

### Gentlemen

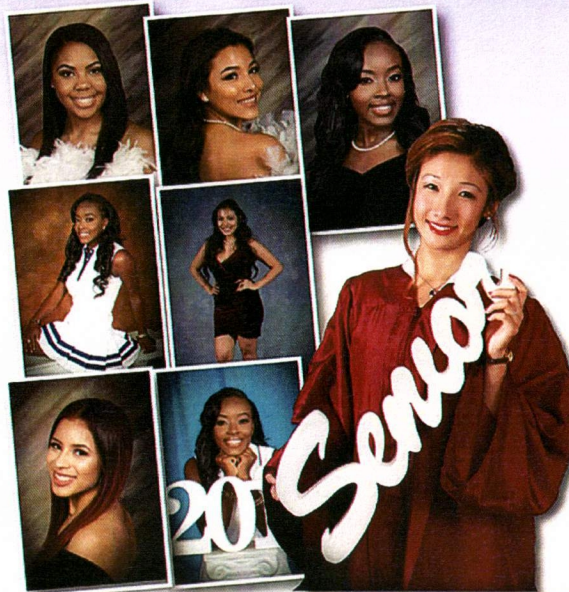

**Hair:** Have your hair properly styled and well combed so that no stray ends stick out. Hair cannot be retouched.  
**Face:** Be clean shaven and try to avoid oily or shiny forehead. Mustache or beard cannot be retouched.  
**Clothing:** You will look your best in a suit or sport jacket. **Shirts, ties, suits, tux, Cap & Gown will be provided by FOTORAMA.**

### Both

**Sunburns:** Avoid becoming sunburned prior to your sitting date. If your face is red and/or peeling, it will photograph that way and will be unattractive on your finished portraits. Strap marks on the shoulders will show if having fur or drape poses.  
**Fingernails:** Should be well groomed. Hands may show on some poses.  
**Skin Blemishes:** Please don't be overly concerned about skin blemishes, although they will show on your previews, our artists will remove them on your finished portraits for the Yearbook.

## Retakes
